South Shore's Attractions,

The south shore of Long Island will strongly appeal to the lower of surf bathing, sailing and deep water fishing. Great South Bay runs for a distance of nearly eighty miles along the southern shore and is safe for sailing and still water bathing. Sea Gate is situated at the entrance of New York harbor and is directly opposite Sandy Hook. It is maintained as a private park by its cottage colony.

WHITTIER INN, AT SEA GATE, NOW OPEN

New Yorkers are realizing more and more the great possibilities of the nearby resorts on New York harbor where they can spend the summer months with their families and yet be in the closest touch with their affairs in the city. There are many such places, but few have the advantage of such privacy and at the same time of such splendid location as has Sea Gate

Among the stopping places there is the Whittier Inn, a delightfully homelike summer place with accommodation for 100 guests. Among the guests already registered there are Mr. and Mrs. J. N. Jeffares, Mr. and Mrs. Marshall Adams and family, Mr. and Mrs. P. H. Hart, Mrs. A. W. Heffernan Mr. and Mrs. George H. Its appeal to the sportsman and the lover of outdoor pastines is irresistible. Behind its lure larks no disappointment. The angler gets fish, the yacatsman finds wind and water to his liking, the swimmer as wild a surf or asplacid a cover as he may desire, the followers of the Scotch game golf under ideal conditions and the motorist finds going to his complete satisfaction.

Water Sports of Every Kind.

The waters of Long Island have long been popular with amateur sailors, with men and women who love to skim in white winged craft across safe waters where soft breezes blow. The Sound, Great South Bay, Peconic and Gardinor's and the far flung Atlantic offer a variety of sailing.
